**ANNUAL REPORTS
OF THE
TOWN OFFICERS
OF
STODDARD, NH
FOR THE YEAR ENDING
DECEMBER 31, 1991**

About the cover:

The present Historical Society Building was built by Nathan Morse, probably in the 1840's, for his shoemaker's shop. It has served also as a tailor shop, milliners' shop, grocery store, dwelling and library.

It now houses the collections of the Stoddard Historical Society. In July and August it is open on Sundays from 2 PM to 4 PM. At other times, it is open by appointment only.

IN MEMORY

Nancy Lee Murray

September 12, 1947 - January 25, 1992

Nancy had held many elected positions in Stoddard, including ballot clerk, Town Auditor, Town Treasurer from 1983 until her death and Stoddard School Board member from 1989 to 1991. She was also a justice of the peace.

The following is a poem that had special meaning to Nancy.

Don't Quit

When things go wrong
as they sometimes will,
When the road you're
trudging seems all uphill,
When the funds are low,
and the debts are high,
And you want to smile,
but have to sigh,
When care is pressing
you down a bit---
Rest if you must,
but don't you quit.

Success is failure
turned inside out,
The silver tint of
the clouds of doubt,
And you never can tell
how close you are,
It may be near when
it seems afar.
So stick to the fight
when you're hardest hit---
It's when things go wrong
that you mustn't quit.

Note: To correct 1990 Town Report: Daniel A. Eaton was the 1990 Representative to the General Court. Mr. Feuer's term started 1991. Apologies to Mr. Eaton.

SELECTMEN'S NARRATIVE

At the 1991 Town Meeting, we put a modest budget before the Town. The economy was in recession and we wanted to keep a tight rein on spending. The tax rate fell from \$8.58 per thousand to \$7.48. This was a reduction of almost 13%. When compared to neighboring towns, their rates ranged from double to four fold.

We have continued to be cost sensitive. The price we pay for fuel oil is down due to the competitive bidding process. We have also slashed our insurance costs while improving the coverage. Our propane company reduced our charge retroactively to keep our business.

For the first time, we have retained a professional audit firm to review our town books. The State has wanted us to do this for sometime, and a periodic review is good. This is not going to be necessary every year, but perhaps once every five. The firm was selected from five proposals received at the Town's request.

We have made some changes at the Transfer Station also. While Bourassa still takes our trash, he does not handle the recyclibles. This change has saved the Town \$4,000.00 on the scrap metal box alone. We need to aggressively seek a new site for our Transfer Station. The current site was selected over ten years ago as a temporary solution, but we've outgrown its usefulness.

The heater in the Town Hall is a 1957 vintage and on its last leg. The efficiency is poor and maintenance is high. Although, we need to replace it, this does not address our growing need for Town office space. The heater in the library was replaced this year after being declared unsafe and unrepairable.

The Selectmen are now accepting resumes for the position of full time road agent. This has been studied several times. The most recent report is in the 1986 Town Report. We believe that the additional duties associated with Town maintenance plus Road duties would benefit the Town both in price and service.

Although it has been a long time, progress is apparant with our cable TV vendor, Highland Communications. We have received a certificate of insurance and construction should commence soon.

Board of Selectmen,
John D. Halter, Chairman
James T. D'Arcy, Jr.
John Lightbody, Jr.

27. To see if the Town will vote to adopt the following Ordinance:

Chapter 1992-1 ALCOHOLIC BEVERAGES

1992-1.1 Definitions.

As used in this Chapter, the meaning of terms ALCOHOLIC BEVERAGE AND LIQUOR shall be as defined in RSA 175:1, Definitions, of the laws of the State of New Hampshire.

A. No driver shall transport, carry, possess or have any liquor or alcoholic beverage within the passenger area of any motor vehicle upon any way in this Town or in an area principally used for public parking except in the original container and with the seal unbroken. Securely capped partially filled containers of liquor or alcoholic beverage shall be stored and transported in the trunk of the motor vehicle. If the motor vehicle does not have a trunk, such containers shall be stored or transported in that compartment or area of the vehicle which is least accessible to the driver.

B. No passenger shall carry, possess or have any liquor or alcoholic beverage within any passenger area of any motor vehicle upon any way in this Town or in an area principally used for public parking except in the original container and with the seal unbroken. Securely capped partially filled containers of liquor or alcoholic beverage may be stored and transported in that compartment or area of the vehicle which is least accessible to the driver.

1992-1.3 Consumption in Public.

The consumption of any alcoholic beverage or liquor upon any public property within the Town of Stoddard or within any Town-owned building shall be unlawful, unless authorized by the Board of Selectmen prior to the consumption.

1992-1.4 Penalties.

The penalty for the violation of this chapter shall be a fine of up to One Hundred Dollars (\$100.00).

1992-1.5 Severability.

If any provision of this Ordinance or the application thereof to any person or

circumstance is held invalid, the invalidity shall not affect the other provisions or applications of this Ordinance which can be given effect without the invalid provision or application, and to this end the provisions of this Ordinance are severable.

28. To see if the Town will vote to adopt the following Ordinance:

Chapter 1992-2 ANIMAL CONTROL

No person shall permit his or her dog to run at large at any time within the Town of Stoddard. A dog is "at large" within the meaning of this Chapter if it is not controlled by a leash or is not at heel beside a competent person or is not in obedience to that person's command or is not within a vehicle or is not on the property of its owner or keeper. This section shall not apply to dogs in use with their owners or keepers during lawful hunting activities.

1992-2.2 Bathing in Playground Areas.

It shall be unlawful for any animal or reptile to be on land owned and/or used by the Town of Stoddard or any of its departments for bathing or playground purposes. Exceptions may be granted by the Board of Selectmen.

1992-2.3 Nuisances.

No dog shall be permitted, whether or not leashed or restrained, to be a nuisance, a menace or vicious to persons or property or to other animals. A dog shall be considered a nuisance if it:

A. Barks continuously for sustained periods of time;

B. Barks during the night so as to disturb the peace and quiet of a neighborhood or area;

C. Turns over garbage cans or waste containers or otherwise causes waste or garbage to be scattered on property other than its owner's;

D. Runs after or chases bicycles, motor vehicles, motorcycles or other vehicles being driven, pulled or pushed on streets, highways or public ways;

E. Barks, growls, snaps at, bites or chases any person or persons;

F. Runs in a pack with other dogs;

G. Runs after, chases or preys on game animals, domestic animals, or fowl;

H. Digs, scratches or leaves excrement in gardens or around cultivated areas so as to uproot, damage or destroy the growing plants, shrubs or trees on any property other than its owner's; and

I. Is unconfined while in heat (confinement shall mean within an enclosed building not accessible to any other dog).

1992-2.4 Restaurants or Food Stores.

No person shall bring any animal into any restaurant or any store that sells food; and no person shall allow any animal to enter or remain in any restaurant or in any store that sells food, except for guide dogs leading blind persons, and the hearing ear dog and the service dog as provided in New Hampshire RSA 167-D.

1992-2.5 Penalties.

The penalty for the violation of this chapter shall be a fine of up to One Hundred Dollars (\$100.00)

1992-2.6 Severability.

If any provision of this Ordinance or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect the other provisions or applications of this Ordinance which can be given effect without the invalid provision or application, and to this end the provisions of this Ordinance are severable.

This Chapter shall in no way supersede the New Hampshire Revised Statutes Annotated or any other laws or ordinances relating to dogs, other animals or reptiles. In the event of conflict, the more stringent restriction shall prevail.

29. To see if the Town will vote to adopt the following Ordinance:

Chapter 1992-3 ALARMS

1992-3.1 Installation of Alarm Systems.

Every single-family dwelling and multi-family dwelling in the Town of Stoddard which contains an alarm system designed to directly inform the police and/or fire department of any emergencies, must contain a system which is well made and has been properly installed. The owners of any such property shall be responsible for installation and for adequate maintenance of the system.

1992-3.2 Permits.

No automatic or other alarm system may be installed in the Town of Stoddard until the owner or his designee obtains a permit for such installation from the Police Chief of the Town of Stoddard. No permit shall be issued for the installation of any alarm system which has not been approved by both the Police Chief and the Fire Chief.

1992-3.3 Penalties

If Police or the Fire Department of the Town of Stoddard, or any employee or agent thereof, responds to a false alarm which is generated by an alarm system for which the owner of the dwelling (or his designee) did not obtain a permit under this Chapter, or by an alarm system for which a permit was issued, but which was not properly installed or maintained, then the owner of the dwelling shall be in violation of this Chapter. For the first violation of this Chapter, the owner shall receive a warning; for the second violation, a fine of \$25.00 shall be imposed; for the third violation, a fine of \$50.00 shall be imposed; and for the fourth and successive violations a fine of \$100.00 shall be imposed.

1992-3.4 Severability

If any provision of this Ordinance or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect the other provisions or applications of this Ordinance which can be given effect without the invalid provision or application, and to this end the provisions of this Ordinance are severable.

30. To see if the Town will vote to adopt the following ordinance:

1992-4.1 TRANSFER PERMITS REQUIRED

Every vehicle entering the Stoddard Trash Transfer Station for the purpose of disposing of waste, shall display a permit.

1992-4.2 Permits

Transfer Station permits shall be designed and distributed to Stoddard property owners in the manner set forth by the Stoddard Board of Selectmen.

1992-4.3 Disposal.

No person shall dispose of waste at the Trash Transfer Station at any time other than the regular hours for use, as prescribed by the Board of Selectmen.

1992-4.4 Town Property Forbidden

No person shall dispose or cause to be disposed any waste on any property belonging to the Town of Stoddard without the express written permission of the Board of Selectmen.

1992-4.5 Penalties.

The penalty for the violation of this chapter shall be a fine of up to One Hundred Dollars (\$100.00).

31. To transact any other business that may legally come before said meeting.

**Given under our hands and seal, this seventeenth day of
February in the year of our Lord, nineteen hundred and ninety two.**

AUDITORS REPORT

We hereby certify that we have examined the records of the Selectmen, Town Clerk, Tax Collector, Treasurer, Trustee of Trust Funds, Cemetery Commission, Library Trustee, Planning Board and Boat Permit Fee Agent of the Town of Stoddard, New Hampshire for the year ending December 31, 1990.

In our opinion the aforementioned records together with their financial statements and auditor's report present fairly the financial position and the results of its operations and changes in it's financial position for the year ended, in conformity with generally accepted accounting principles, applied using cash basis methods consistent with that of the preceding year.

Verifications letters (166) were sent of the unpaid tax bills on March 18, 1991 with request for responses for incorrect bills only.

DAYIS PUBLIC LIBRARY

The Library was open from 9:00 to 10:00 A.M. On Saturday mornings again this year. The school children visited the Library on Wednesday mornings through the 1991 school year only. The regular Thursday evening open hours are still held from 7:00 to 9:00 P.M.

The Library subscribes to the Junior Literary Guild from which we receive three new award winning children's books of different reading levels each month. We receive by donations, the Sierra Club magazine. We also receive the Free China Review, Forest Notes, and the Trowel magazine. We extend out thanks to all who donated and attended our very successful book sale during Old Home Days this year.

We plan to have a children's reading time this summer. We are planning to add VCR tapes to the collections this year as we have had many requests for them.

We extend our thanks to the people who made donations to the collections during the year. They included: Wayne Fuller, Mr. and Mrs. Henry Klie, May Curry, Pat Putnam, the Steven Matson family, Christin Howley, Charles Chandler, Alan and Kim Rumrill, Joe Coughlin, Nancy Bailey, Lina Vaillancourt, Mary Conklin, Dr. and Mrs. Kerber, Ruth Moe, Earl Lund, the Ladies Bible Study Group of Stoddard, Zdena Kapral, John and Cindy Bohl, Mrs. Sally Cahill, Vero Publishing and any anonymous donors.

REPORT OF THE STODDARD FIRE & RESCUE DEPARTMENT 1991

1991 showed a slight decrease in total activities. A total of 115 activities is broken down as follows: 13 meetings, 14 drills, 50 Sunday equipment and radio checks, 16 fire calls, 6 mutual aid calls, 18 medical assist calls, 4 motor vehicle calls and numerous certification courses taken both in our station and in other locations. You will notice a steady increase in our training budget as more courses become mandated.

In 1991 we are pleased to have been able to offset some costs by installing our new water system ourselves, installing a new pump heater system on a truck, and numerous pump and truck repairs. Our total volunteer hours are over 1,500 again this year.

We are also very pleased with the performance of the new pumper/lanker. It really seems to be the right tool for the job.

Among the projects planned for this year are continued training in all areas, especially hazardous materials awareness, and continued fund raising toward the purchase of a boat for the purpose of water rescue and shore front fire fighting. Our hope is to purchase a used pontoon boat from donations and to retrofit it ourselves to provide a stable and mobile platform for water operations.

We appreciate the support the towns people have given us and welcome visitors to the station. We also want to encourage interested people to become members in a fire fighting or rescue capacity. We are also happy to have people in support areas such as communications, management, food for lengthy fires and recruitment.

Remember that we offer chimney cleaning, usually this is done on Sunday morning.

Respectfully submitted,
Chief, *John Cressy*
Deputy Chief, *Brian Cahill*
Rescue Captain, *P. J. Lamothe*
Captain, *Doug Connor*
Lieutenant, *Wally Weaver*

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

1991 was a very dry and busy year for the New Hampshire Forest Fire Service as well as local fire departments due to our increase in the number of fires. Our three major causes of fires in 1991 were non-permit, children and smoking materials. 450 wildland fires in New Hampshire burned approximately 150 acres for an average fire size of one-third acre.

Primarily, the local fire department is responsible for extinguishing these fires. Keeping the average fire size this small is a tribute to early detection by citizens, our fire tower lookout system and the quick response of our trained local fire departments.

In every municipality, there is a Forest Fire Warden and several Deputy Wardens that are responsible for directing suppression action on wildland fires, working with other fire department members under the direction of the N.H. Forest Fire Service to make sure that all fire department members are properly trained and equipped for suppressing wildland fires. Forest Fire Wardens and Deputy Wardens receive specialized training each year, presented by the N.H. Forest Fire Service, to keep their skill level and knowledge of forest fire laws up to date.

The local Warden and selected Deputy Wardens are also responsible for issuing burning permits for any open burning that is to be done in their community. In New Hampshire, any open burning, except when the ground is completely covered with snow, requires a written fire permit prior to lighting the fire. Before doing any open burning, it is recommended that you contact your local fire department to see if a permit is required and to save your community the cost of sending fire equipment on a false alarm. Any person violating the permit law (RSA 224:27) shall be guilty of a misdemeanor. There were 56 fires in our District #10

Please help your local Warden and fire department by requesting a fire permit before kindling a fire, be understanding if they tell you it is not a safe day to burn and help keep New Hampshire green! Thank You for being fire safe.

Robert D. Nelson, CHIEF, FOREST PROTECTION

Lewis A. Clark, MUNICIPAL FOREST FIRE WARDEN

STODDARD POLICE DEPARTMENT ANNUAL REPORT

We started 1991 welcoming a new officer. Many of you know Don Fleming as Stoddard's long time Fire Chief. After a couple of years of civilian life, the calling to public service was rekindled in Don and we are proud to have him on board. I would also like to thank his new bride Nancy for her tolerance, patience, and sense of humor for putting up with Don's absence while attending school each weekend for the first three months of marriage.

In June we received Stoddard's first Radar Unit. This was made possible by submitting and receiving a 50% grant from the N. H. Safety Agency with funds provided by the National Highway Traffic Safety Administration. I also requested and received a bicycle safety program from Highway Safety to present to the school children. The program featured "Captain Smiley", a robotic talking "Muppet" on a tricycle who, with help from a friend, explains safe biking rules.

The Stoddard Elementary School children were provided with School Bus safety brochures, Water and Ice Safety coloring books, as well as Fingerprinting and photographs, all at no cost to the Town.

Kawasaki Motors International supplied, free of charge, a "Water Bike" which is a two person elongated jet-ski, to assist with any emergency on the water or patrol. Both time and fuel were donated by the officer operating and the craft was made available to rescue and forestry if needed.

I had the honor of being appointed by the President of the N. H. Chiefs of Police Association to the state Accreditation Committee, which will establish standards for local police agencies to receive state accreditation on their way to National accreditation. I was also appointed to the training committee of the County Chiefs Association to help generate local training seminars to be held each month.

We have started operating on a new computer program that is utilized by many other departments around the state. This will put us in line with the soon to be mandatory reporting system being promulgated by the U.S., Department of Justice. It will allow electronic transfer as well as on line reading and cross matching of reports, to and from a central repository in Concord, and should qualify us for free software should the system change in any fashion.

We are grateful to everyone who was helpful during the past year by calling in suspicious persons or vehicles, assisting with traffic control at accidents or simply letting me know when they were pleased with the service provided by an officer.

As always, if you are in need of any assistance from any emergency service, PLEASE CALL 352-1100.

The following is a list of calls handled by your Police Department during the past year: 32 accidents, 5 burglaries, 17 Mutual Aid calls, 5 domestic calls, and 88 others, such as B & E, animal, disorderly, Juvenile, mentally disturbed, keep the peace, theft, etc.; for a total of 956 calls.

Respectfully Submitted,

Daniel Adams Eaton, Constable/Police Chief

STODDARD CONSERVATION COMMISSION REPORT 1991

The Stoddard Conservation Commission (CC) continued to investigate Dredge and Fill applications, including one of some 300 feet of driveway crossing a red maple swamp.

One activity our CC has not yet become involved in is the "Method for Comparative Evaluation of Non-Tidal Wetlands in N. H.", wherein laymen are trained (I am given to understand) in evaluating wetlands for some 14 functional values, such as flood control, sediment trapping, excess nutrient attenuation, ground water, wildlife habitat, recreation, education, endangered species, etc.

Maybe this year.

Another matter a CC often undertakes, usually in connection with an update of the Master Plan, is a Natural Resources Inventory. This would compile and update existing information and maps, and deepen and strengthen information on such as wildlife census, rare species, rare habitats, wetlands inventories, conservation easements, land belonging to Town, to State, surface and ground water, and contamination, etc.

Such an inventory should lead to increased public awareness of the Town's natural heritage and promote dialog over the Town's conservation goals. Something else we can be thinking about.

Respectfully submitted,
Jane Abert, Chrmn.

John Lightbody, Jr., Harry Power.

REPORT OF THE VOLUNTEER LAKE ASSESSMENT PROGRAM

First off, thanks so much to all of the volunteers that make this program a reality. Thanks also, to the Selectmen for their continued support.

This year we once again tested Highland and Granite Lakes, Center and Island Ponds and Robb Reservoir, during the summer months of June, July and August, when activity in and on the lakes are at its peak.

The tests performed, provide data that is used to monitor water quality changes, as well as pollution sources. With yearly testing, trends are established, and from those trends, decisions regarding use and protection of the lakes can be made.

Lakes are not unalterable systems. They are affected by activities that occur in, on and around them. Their water quality is threatened by such inputs as acid rain, exotic weeds and nutrient and sediment runoff from man's activities within the watershed.

In the face of increasing pressures for lake use and near-shore development, it is imperative that we all work together to preserve these vital natural resources.

Any activity that reduces the input of phosphorus and sediment erosion into a lake is good; any activity that increases these inputs is bad. Listed below are activities that lake residents and others can do to help reduce phosphorus and sediment inputs:

1. Pump out your septic tank every three-five years or whenever the sludge level exceeds 1/3 of the tanks capacity.
2. Maintain your septic system properly. Be sure your system is designed to handle the load it receives.
3. Check your leach field for soft or wet areas, or septic smells.
4. Do not bathe, shampoo or wash pets, boats or other objects in the lake with soap or other phosphorus containing detergents.
5. Use non-phosphate detergents in your home
6. Keep land clearing to a minimum. Revegetate bare areas to minimize erosion to the lake. Roads and paths should be curved to reduce erosion.
7. Maintain Stoddard's required 50' buffer zone of natural vegetation along the shore to contain erosion and assimilate nutrients before they reach the lake.
8. Do not use chemical or organic fertilizers near the lake shore. Make it prestigious to have shore fronts with natural vegetation, rather than green, manicured lawns.
9. Do not burn brush or leaves near the shore. Do not dump leaves or grass clippings in or near the lake. Both of these practices add nutrients to the water.
10. Do not urinate or defecate in the lake and don't allow pets to do the same.

REPORT OF THE VOLUNTEER LAKE ASSESSMENT PROGRAM (CONTINUED)

11. Do not feed ducks, or other aquatic organisms; there is plenty of natural food available. Nutrients in the feed material, which is produced outside the lakes watershed, will be added to the lake through the organisms feces.

12. Do not use powerful outboard motors in shallow areas. The nutrient-laden bottom sediments can be churned into the overlying water to support increased algae growth.

If you have any questions concerning these practices, or would like to be a part of the lay monitoring program, please contact Cindy Bohl at 446-7852.

To all you Center Pond residents, please consider helping us; by either testing, or lending a boat. Center Pond is the only water body in Stoddard whose residents don't help with this project.

Cindy Bohl, coordinator

TEST DESCRIPTIONS:

pH	A measurement of acidity. A pH of 7 is neutral. Lower pH values indicate acidic conditions. High pH values indicate basic (salt) conditions. Little or no fish life remains when pH falls much below 5. NH average is 6.6.
Transparency	A measure of water clarity, affected by the amount of phytoplankton, color (dissolved organic compounds), and particulate matter in the lake. Measured by lowering a Secchi disk into the water and observing depth for disappearance. Standard: >13.1 ft. is Oligotrophic, 6.6 to 13.1 ft. is Mesotrophic, and <6.6 ft. is Eutrophic. NH average is 12.8.
Chlorophyll <u>a</u>	A green pigment in plants required for photosynthesis. A good indicator of abundance of microscopic plants and algae. Units are mg. per cubic meter. Standard: <4 is Oligotrophic, 4 to 10 is Mesotrophic, and >10 is Eutrophic. NH average is 6.6.
Total Phosphorus	Limiting nutrient that promotes plant and algae growth in lakes. Increased TP encourages excessive weed growth and algae blooms. Comes from decaying matter, soils, leachfields, land clearing, and agriculture runoff. Units are ug/L. Standard: <10 is Oligotrophic, and >20 is Eutrophic. NH average is 10.
Color	A measure of dissolved metals (iron and manganese), dissolved organic compounds, and suspended matter in water. Standard: 0 to 20 is crystal clear, 20 to 35 is slightly tea-colored, and 35 to 100 is tea colored to highly colored. NH average is 25.
Conductivity	Ability of water to carry an electrical current. High conductivity may indicate pollution from road salting, faulty septic systems or agriculture runoff. Units are umhos/cm. Standard: 0 to 50 is Oligotrophic, 50 to 100 is Mesotrophic, and >100 is Eutrophic. NH average is 56.4.

STODDARD OLD HOME DAYS

1991

The Stoddard Old Home Days celebration continues to grow more and more each year with the help of new people and new ideas. Some of the new events this year included a Historic Bus Tour through South Stoddard with a visit to the picturesque Daniel Uptown Farm, a canoe paddling trip in Pickerel Cove, and a hike up to Stoddard Rocks.

The weekend events started Friday night with a church potluck supper which was filled to capacity for two seatings. The supper was followed by a talent show of local musicians and town folks who came to sing, play guitar, trombone, clarinet, piano, accordion. Saturday morning's parade gave children the opportunity to show their creativity. The parade also included the Shriner's Oriental Marching Band, antique automobiles, fire engines from several towns, and several family/business entries. Due to the first rainy Saturday of Stoddard Old Home Days since 1987 the children's show, "Little Red Wagon" was held in the Stoddard Fire Station with great success due to the generosity of the Stoddard Fire Dept. The public buildings were open all day Saturday. The best burgers and hotdogs in town were sold throughout the day with the hard work of Gordon Garnett, Joan Zelasny and friends to support Stoddard Old Home Days. The annual Chicken barbecue served by the Stoddard Fire Dept. was terrific. We would also like to thank the Stoddard Police force for their parade escort and dance coverage. Saturday evening closed with a dance at the Town Hall featuring the live band "Turn It Loose".

Sunday started with a great homemade pancake breakfast thanks to Gordon, Joan, and the others who helped serve and organize a truly scrumptious meal. A church service was held following the breakfast and all were welcome to wear off their meal with an afternoon hike.

The Old Home Days raffle was a huge success again this year. Suzy Shepard won the lovely end table made and donated by Judy's Craft Shack, Gordon Roy won the grandly crafted stained glass lamp made from Stoddard slag glass by Joan Zelasny, and Mr. F. Hogg won the Stoddard bottle. We would like to thank everyone for their support for buying raffle tickets and also for the generous contributions of both time and money. Several town organizations have also helped with new ideas and support for which we are very grateful. We would also like to thank the local businesses for all their help and support.

The Old Home Days celebration has continued because of the work of a number of dedicated committee members. The plans for the 1992 celebration will be underway soon. We are always searching for new committee members to assist with planning of activities, parades, etc.

Anyone is welcome to join in this important tradition. Please contact chairman, Gordon Garnett, or secretary, Kim Rumrill, if you are interested in helping us.

Thanks to all for your continued support,
Kimberly Rumrill, Secretary/Treasurer

REPORT OF THE STODDARD PLANNING BOARD

The past year was slow in terms of new subdivisions and new legislation. The board has put forth a request to enable a Capital Improvements Program to be done sometime in the future, by the Planning Board. The Board must first have the Town's approval to move forward with this type of Program. We ask for your support on this subject.

The Subdivision Regulation fees charged to applicants were increased in 1991. We feel the costs to subdivide should be paid by those who are subdividing. For example, a 5 lot subdivision used to cost \$13.00, but now costs \$100.00 in fees. The fees cover secretarial and other administrative expenses which each subdivision creates as additional work for the Board.

The Planning Board legal fees were very minimal in 1991, as were our expenses in general. This was due to very small and simple subdivision activity. The Robb Reservoir subdivision proposal is still awaiting Federal approval and could become active again in 1992. Our budget reflects this possibility.

In 1992, I hope to continue revising our subdivision regulation and clarifying some of our ordinances. Your input is always welcome. Anyone interested in serving as an alternate member please let me know.

Respectfully submitted,

John F. Bohl, Chairman

SUPERVISORS OF THE CHECKLIST

In accordance with N. H. State law (RSA 654:39) 1991 was a year to update the town's list of eligible voters. All persons who didn't vote in the general elections of 1988 or 1990 or in the 1991 town election were notified individually by mail and if they failed to respond their names were dropped from the new, revised list posted Nov. 25, 1991. There were 125 names taken off for this reason.

In this important election year everyone is urged to check the new voter checklist posted at the Town Hall and in the post office. If not listed, they may register on one of the following dates:

Tues. March 24	7-9 P.M.
Sat. May 2nd	11-12 Noon
Tues. June 2nd	7-9 P.M.
Tues. Aug. 18th	7-9 P.M.
Sat. Aug. 29th	11-12 Noon
Tues. Oct. 13th	7-9 P.M.
Sat. Oct. 24th	11-12 Noon

SUPERVISORS:

Barbara T. Jones

Priscilla Holland

Patricia Campbell

ZONING BOARD OF ADJUSTMENTS

The Zoning Board of Adjustment meets regularly on the first Monday of each month at 7:00 P. M. in the Town Hall to consider requests for variances and special exceptions to the Town ordinances. The Board heard eleven requests from property owners during the year 1991.

The Zoning Board of Adjustment consists of five regular members and a number of alternates who may sit in on hearings when a regular member is absent. We are always interested in considering new alternate members. If you have an interest in Town activities, particularly as they relate to zoning issues, we would like to have you consider joining our Board. Please call Chairperson, Bob Cowie, or any current member of the Board if you would like to find out more about becoming a member of the ZBA.

ART: 18 To see if the Town will vote to raise and appropriate the sum of \$30,000.00 for emergency and necessary highway/bridge repair, gravel and supplies for the ensuing year. Moved and seconded. The Selectmen give a report on roads to be repaired and earmarked several projects. Discussion on Bridge repairs at the base of Shedd Hill Rd. and fixing the Old Antrim Rd. for emergency use only. Art: 18 carries.

ART: 19 To see if the Town will vote to raise and appropriate the sum of \$25,000.00 for paving King Street to the point which the previous pavement ended. Motion by Mary Lou Eaton to AMEND the Article to read: To raise and appropriate the sum of \$28,500.00 for the paving of King Street from the point which the previous pavement ended and the Town Hall driveway from the front of 123 to the handicap ramp entrance. Seconded by Ken Peate. Discussion follow on condition of King Street and perhaps it should not be paved. Selectmen state Hill Construction is not finished and a balance of \$12,000.00 is due to finish the road. Discussion on a bond. Selectman John Halter says no performance Bond was posted on the advice of the engineer due to the size of the project, it didn't warrant one. Paul Fiondella proposes an addition to the amendment that all Capital Projects in Stoddard be required to post a bond. Moderator states Paul Fiondella's proposal is not in the subject matter. Paul Fiondella withdraws amendment. 2ND AMENDMENT by Brian Cartwright to change the reading from paving to improvement so that the article would read: To see if the Town will vote to raise and appropriate the sum of \$28,500.00 for the IMPROVEMENT of King Street from the point which the previous pavement ended and the Town Hall driveway from the front of 123 to the Handicap ramp entrance. Seconded by Laura Fletcher. Discussion follows. On a voice vote the amendment falls. Original motion still on the table. AN AMENDMENT by Samuel Green to change the amount to \$10,000.00 and put back the word IMPROVEMENT. 2nd by George Cahill. Discussion follows. Carol Clark speaks: No other money should be paid to Hill Construction as there is money left to be paid in the contract, and that he should be made to finish the road. More discussion. AN AMENDMENT by George Cahill to raise \$5,000.00 and change the word paving back to improvement. Seconded by Frances Rumrill. The article would now read: To see if the Town will raise and appropriate the sum of \$5,000.00 for the improvement of King Street from the point which the previous pavement ended and the Town Hall driveway from the front of 123 to the Handicap ramp entrance. On a standing vote 31 YES 20 NO. Moderator Daniel Eaton moves the question. Chair in doubt. On a second standing vote 23 YES and overwhelming NO. Article 19 is NOT adopted.

ART: 20 To see if the Town will vote to raise and appropriate the sum of \$7,500.00 as operating budget for the Stoddard Planning Board for the ensuing year. Moved and seconded. Art: 20 carries.

ART: 21 To see if the Town will vote to raise and appropriate the sum of \$627.00 for membership to the Southwest Region Planning Commission for the coming year. Moved and seconded. Art: 21 carries.

ART: 22 To see if the Town will vote to raise and appropriate the sum of \$1,910.00 for the operating budget of the Stoddard Fire Warden, to include the purchase of equipment, meetings and training. Moved and seconded. Art: 22 carries.

ART: 23 To see if the Town will vote to raise and appropriate the sum of \$8,875.00 for the operating budget of the Stoddard Police Department. Moved and seconded. Art:23 carries.

ART: 24 To see if the Town will vote to raise and appropriate the sum of \$1,100.00 for the purchase of a Radar unit . Moved and seconded. Gordon Garnett moves the Article be indefinitely postponed. John Halter, Selectman, takes over as Moderator while Daniel Eaton, Constable (Moderator), speaks on the Radar unit. Discussion follows. Motion to indefinitely postpone fails. Motion on the original article as proposed carries. Art: 24 carries.

10 MINUTE RECESS

ART: 25 To see if the Town will vote to raise and appropriate the sum of \$11,565.00 for the operating budget of the Stoddard Fire & Rescue Department for the ensuing year. Moved and seconded. Art: 25 carries.

ART: 26 To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for ambulance service from Antrim for the ensuing year. Moved and seconded. Art: 26 carries.

ART: 27 To see if the Town will vote to raise and appropriate the sum of \$1,600.00 for the purchase of two sets of protective clothing for the Fire Department. Moved and seconded. Art: 27 carries.

ART: 28 To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for the purpose of having a dug well installed at the Fire Station. Moved and seconded. Discussion follows. AMENDMENT by John Lightbody, Jr. to raise and appropriate the sum of \$3,500.00 for the purpose of having a drilled well installed at the Fire Station. Seconded by Paul Fiondella. Motion adopted as amended for \$3,500.00

ART: 29 To see if the Town will vote to raise and appropriate the sum of \$1,500.00 for the purpose of repairing Engine 4 temporarily until more extensive repairs can be made. Moved and seconded. Art: 29 carries.

ART: 30 To transact any other business that may legally come before said meeting. The Selectmen have asked for a consensus from the Townspeople if they are in favor of going back to Tuesday evenings for the business part of the Town Meeting or in favor of Saturday. On a standing vote 23 were in favor of Saturday and 31 in favor of Tuesday evening.

The Supervisors of the checklist ask that those who have voted in the past previous election in 1991 please re-register for the 10 year census. Next date for the Supervisors to meet will be March 25th and May 4th.

Paul Fiondella makes a motion that the Selectmen obtain a performance bond from the contractor for any capital improvement projects exceeding \$20,000.00. Seconded by Brenda Bryer. Discussion follows. Motion fails unanimously.

Second motion by Paul Fiondella that all Town employees using computers in the performance of their Town duties be required to keep up to date copies of their data in the Town Hall on the Town computer, excluding privileged information. Seconded by Brenda Bryer. Discussion follows. No action taken.

George Cahill addresses the Selectmen in reference to the new tax assessment and feels that the State evaluation is not in line with the current market prices and asks the Selectmen if they plan on re-adjusting or making any changes in formula used now. John Halter, Selectman says there are no plans in the future to go thru another re-valuation process. More discussion.

Being no other business a motion is made and seconded to adjourn. All newly appointed officers to come forward to be sworn in.
Meeting adjourned at 4:50 P.M.

HEAD TEACHER'S REPORT

Last spring students and staff of the James Faulkner Elementary School took part in an Artist in Residence Program which involved working as puppeteers. Students spent a week making puppets and putting together puppet shows. Several types of puppets were studied, two of which our students got to make. The conclusion was a wonderful evening filled with puppetry that depicted several old legends.

Another special event was the whale watch. After much studying about whales and ocean life, students got to see whales up close. The trip was a great success, thanks to a whale that was a big show off. This whale continually breached for us, which is a rather rare event to witness.

Our school year was concluded with a Graduation Program, at which all students were awarded a diploma, songs were performed by the whole student body, and the Third, Fourth, and Fifth graders did a rap song which was put together by some of the parents. Booths and games were set up for students to try out and have fun with!

This fall, 1991 two new staff members came on board. Trish Murphy is teaching the afternoon Kindergarten class. She lives in Nelson with her husband and three and a half year old daughter. Trish graduated with a Bachelor's Of Science in Early Childhood Education from Empire State College, in N.Y. Her past experiences have been working in several area Day Cares.

Abigail Faulkner from Stoddard is the aide for both classrooms as well as the Physical Education instructor. She graduated with a Bachelor's of Science in Environmental Studies from the University of California at Santa Cruz. Abigail taught environmental education to 6th graders at Sargent Camp.

The school had to make some adjustments due to the large cut back it sustained from the Budget Sessions. Thanks to the P.T.O. we have been able to have some special events for the school. An open house was held in August of this past summer for anyone who hadn't gotten to see the new addition.

We would like to thank the parents of our school children, the P.T.O., and the community for all of their support in helping to improve the James Faulkner Elementary School. If you would like to see how the school is operated, and what a day in school is like, please contact us at the school. We would be more than happy to spend some time with you.

Respectfully submitted,
Mark R. LaFleur, Head Teacher

STODDARD SCHOOL DISTRICT SCHOOL BOARD REPORT

It appears that establishing a kindergarten, after passage of that article at the annual school meeting, has been money well spent. Under the capable tutelage of Trish Murphy, students attending the afternoon sessions this year will be far better prepared for the first grade. We hope to see very positive results.

There have been several staff changes this year. Ann Moller left to take a full time position in the Peterborough system. She left a great void, which has been ably filled by Abigail Faulkner. Ray Legasse is our new custodian, and keeps a tidy school, gleaming floors, and a well attended breakfast program. Linda Roukey has replaced Carol Hill as school nurse, and Rebecca Bacotti is teaching Spanish. A new speech therapist, Jane Ruddock, is spending one day a week at the school.

Except where Federal and State regulations supersede, such as with special education, we have tried to maintain an austere spending program, following the \$30,000 budget cut voted at the March meeting. In June, we contracted for a year's supply of fuel, thereby purchasing far below the going price. Several programs were either cut or eliminated. We do not yet know if we will be within budget.

Members of the newly formed PTO, who are hard working, enthusiastic and dedicated, are contributing to special projects and helping to fill part of the budget-cut void.

The school is now in excellent shape inside and out. Using the balance of the building fund, the area slated for the kitchen was wired and plumbed so that it could be utilized for the breakfast program, as well as other meetings held at the school. Cabinets were also installed. Several windows from the old building had to be replaced because the seals were broken, and there was considerable heat loss. It was less expensive to install new than to repair the old.

The well water had a very bad odor, and was doing great rust damage to the plumbing fixtures. A water purifier has been installed, and we have high hopes that this will eliminate future problems. A new floor polisher/buffer was purchased which will cut to one third the time needed to keep the floors in tip-top condition. Mud had been an incredible problem, so the cul-de-sac was hard panned. When it was done, the contractor also hard panned under the swings and gym which previously had been real mud holes. Landscaping was done in the spaces between the doors, and hopefully we may see some blossoms on the lilac bushes and crab trees which were planted, along with evergreens. More fire extinguishers were purchased, on recommendation of the insurance inspection. We have also requested more fire drills.

Policies have been set for Field Trips, Pediculosis Control, Transportation, Compensation Policies, (such as health benefits, etc.), and Entrance and Assignment of Pupils.

A plaque was presented by the school to Mary Conklin, with grateful thanks for her many years of volunteer work in physical education.

Much time has been spent in special meetings with the Supervisory Union in Henniker. Hopkinton is withdrawing from SAU #24, which means that the remaining towns will have to take up the slack in the financial running of the SAU. You will note an increase in Stoddard's share, which has been influenced also by our recent reevaluation. This year two new Superintendents have been hired, and also a new Business Manager of the SAU.

On a financial note: a total of \$71,701.10 was turned back to the town to reduce the amount of money to be raised by taxes. This is a large sum, but the total appropriation is influenced greatly by students moving in and moving out. The School District received a bequest of \$200 from Florence Ward, a former resident from many years back who obviously had fond memories of her days in Stoddard.

School Board meetings are held the second Wednesday of each month, and the public is always welcome.

Respectfully submitted,
Joann Monty, Mary Lou Eaton,
and Helen Bouchard Stoddard School Board

SCHOOL NURSE REPORT

This 1991/1992 school health program included student physical exams with vision and hearing testing. Parents were notified if the student's physical condition warranted a physician's referral. Immunization records were checked and a report was sent to the state for the yearly requirement. Head checks for lice were done at each school visit, and also on an on-call basis.

Health teaching was given to all students. The kindergarten through 2nd grade students were instructed about the basic 4 food groups and dental health. Since they have already had instruction on personal hygiene, sleep, exercise and nutrition, I plan to teach them about other topics which they can relate to, for example first-aid/safety, and the importance of clean air and water, and about microscopes. The upper grades (3-5) have been receiving instruction via learning packets about nutrition, and the major body systems for a general knowledge of health science. This will help them to gain an overall understanding of general health science which will assist them in their junior high school science subjects.

Respectfully submitted,
Linda Roukey, RN,
School Nurse

Annual Meeting 1991 School Warrant

The 1991 Annual School Warrant Meeting opened at the Stoddard Town Hall on March 7, 1991 at 7:05 p.m. by Moderator Daniel Eaton. He welcomed the townspeople and proceeded to introduce the SAU representatives and the School Board members. Mr Eaton then asked for a moment of silence for the soldiers lost in the Gulf. He then proceeded to read Article 1. Chairperson Jim Taylor repeated the Article with the addition that the polls be open until 9:00 p.m. or the close of the meeting, which ever should occur last. Mary Lou Eaton seconded the motion. Motion carried.

Art. 1. Jim Taylor moved that the District choose by nonpartisan ballot the following School District officials and that the polls be open from now until 9:00 p.m., or the close of the meeting, which ever should occur last.

| A. One School Board Member | 3 year term |
| B. One School Board Member | 1 year term |
| C. One Moderator | 1 year term |
| D. One Treasurer | 1 year term |
| E. One Clerk | 1 year term |
| F. One Auditor | 1 year |

Mary Lou Eaton seconded. All in favor. Article 1 adopted.

Art. 2. Mary Lou Eaton moved to determine and appoint the salaries of the School Board and fix compensation for any other officers or agents of the District as printed in the 1991/92 Budget. Jim Taylor seconded. All in favor. Article 2 adopted.

Art. 3. Jo Ann Monty moved that the District vote to raise and appropriate the sum of \$536,502.00 for the support of schools, and for the payment of salaries of School District officials and agents and for the payment of statutory obligations of the District, or to take any other action in relation thereto. Jim Taylor seconded. Discussion on the Article proceeded as follows: Harry Power requested the Board do a line by line review of the budget for the benefit of the people not at the Budget Hearing. Jim Taylor read the budget pausing for questions, statements, and opinions as they arose. There were questions pertaining to the insurance for the teachers. There was opposition expressed to the expense of the health insurance. There was an opinion expressed in favor of sending the teachers a "positive message". Nancy Cressy asked for a brief description of the Foreign Language Program. She also asked if French was an option for the students. Karen Desrosiers made a brief statement on the Foreign Language Program. John Halter also made a statement concerning the program. Carol Clarke asked how many hours the Special Education Teacher worked a week. Harry Power asked why the Special Education Teacher, being part-time, received health benefits. Peg Verner asked how many hours constitutes part-time employment. Harry Power asked why there was an increase in the fee paid to the SAU. John Sokul addressed the question. John Reisenberg asked John Sokul to outline the services

provided to the Stoddard School for the amount of money paid to the SAU. There were numerous other observations made before John Halter made the motion to limit debate. Debate was limited. Dan Eaton called for a standing vote on Article 3. The Moderator reread Article 3 asking for all those in favor to answer aye, all those opposed to answer nay. Moderator being in doubt, there is a call for a standing count. Due to a tie in the standing count, a ballot vote is necessary. Out of 83 ballots cast, 34 YES and 49 NO, Article 3 fails. Melanie Miner moved to amend the amount of Article 3 to \$506,502.00 Leigh Fosberry seconded. Majority in favor. Article 3 adopted as amended.

Art. 4. Jim Taylor moved that the District vote to approve the reports of agents, auditors and committees as printed in the 1990 Annual Report. Seconded by Suzanne Taylor. Majority in favor. Article 4 adopted.

Art. 5. Denise Pratt moved that the School District vote to raise and appropriate the sum of \$14,000.00 for the purpose of establishing a kindergarten (½ day) at the James M. Faulkner Elementary School effective with the 1991/92 school year. Charlotte Pratt seconded. There was extensive debate on the Article. A request was made to limit debate. Majority in favor of limiting the debate. Debate limited. The Moderator stated he received 4 requests for a ballot vote, therefore Article 5 will go to ballot vote. A total of 80 ballots cast. 45 YES and 35 NO. Article 5 adopted.

Art. 6. Article is declared invalid.

Art. 7. Jim Taylor moved to see if the District will vote to authorize the School Board to apply for, accept and expend without further action from the School District meeting, money from any source which becomes available during the fiscal year upon the following conditions:

- a. The money must be used for the legal purposes for which the School District can appropriate money.
- b. The School Board must hold a public hearing on the article taken.
- c. It shall not require the expenditure of School District funds.

This action is taken pursuant to the authority of RSA 198:20-b, or to take any other action in relation thereto. Jane Abert seconded. Majority in favor. Article 7 adopted.

Art. 8. Article 8, pertaining to the AREA agreement, was laid on the table because it is invalid at this time.

Art. 9. John Halter moved under consensus of meeting to endorse donations to the Barbara Cutting Scholarship Fund. Harry Power seconded. Majority in favor. Article 9 adopted.

Motion to adjourn meeting. Motion seconded. All in favor. Meeting adjourned at 10:00 p.m.
